

How Do I Drop Off?

9:00 arrival:

- Please look over the parking procedure map before arriving at Barstow - the circle drive will always be closed.
- **Park and walk your child/children to the nametag tables near the front circle on Monday.** There will be 4 lines from left to right - 1-3 grades (A-L), 1-3 grades (M-Z), 4-6 grades, and 7-12 grades. Mini and Kindi Campers will enter where it says summer office, follow the arrows to the Primary wing and find the check in table.
- You will stand in line to receive a nametag. The nametag will have the child's name, grade, and class schedule.
- Your child will be shown to the appropriate place on the circle to meet his/her teacher. The classes are always in alphabetical order around the circle. (If your child is a Mini or Kindi camper, you will accompany your child, with a teaching assistant, to the appropriate classroom in the primary wing for check in).
- Your child will wait on the circle with the teacher until 9:00.
- If your child needs to purchase lunches for the week, that table is located next to the nametag tables. You will tell the assistants working at the table which days you would like and you may pay by cash or check. Lunch is \$4.00 per day. They will have the menu on the table. Mini and Kindi campers must bring their lunch each day.
- **Tuesdays-Fridays you will not receive a nametag. Your child will go directly to the same spot on the circle the entire week. (Mini and Kindi campers will need to be taken to their classroom for check in each day.)**
- **If it rains on Monday, grades 1-12 will enter the front door and receive nametags in the lobby area. Mini and Kindi campers will go to their normal check in area to receive nametags.**

12:30 Arrival:

- Park and walk your child/children to the Community Hall just inside the lower school wing - the circle drive will always be closed.
- When you enter the Community Hall, an assistant will give you a nametag. The nametag will have the child's name, grade, and class schedule.
- Your child will stand by the appropriate class sign inside the Community Hall. At 12:30, teaching assistants will take the children to their classes.
